TESTIMONIALS

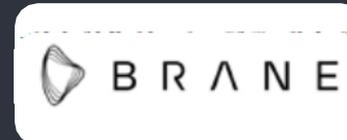

The placement process here was thorough and well organized. I appreciate the one-on-one attention I received from the placement cell, especially from Rudresh Sir, Harsh Sir, and the support I received from the student placement committee and professors was commendable.

-Amisha Dubey

As a student at NMIMS, I am extremely grateful for the opportunities and support provided by the placement cell. The process at NMIMS was seamless and well organized, thanks to the dedicated efforts of the placement team which got me placed in BRANE Enterprises.

-Avisha Vijayvargiya

The placement experience has been an eye opener and quite a learning experience for me, I am thankful for providing me with numerous opportunities with consistent support and mentoring. It gave me the latest opportunities I desired at a good package.

-Harshal Kulkarni

I am overjoyed to have been placed at Rolling Arrays as an Associate Technical Consultant. The support and guidance from the placement team were invaluable, allowing me to effectively highlight my skills to potential employers.

-Mihanshu Holkar
