

INDORE

SCHOOL OF COMMERCE

SIP REPORT- 2023

About Us

School of Commerce, Indore is a constituent school of SVKM's NMIMS which is a Tier-1 University under the Autonomous Universities category according to University Grants Commission (UGC), India

School of Commerce, Indore campus began its journey in the commercial capital of Madhya Pradesh in 2017 and has already seen two of its BBA batches pass out since then. The school has already piloted a strong strength of over 300 students since then. In 2019, another premier course joined the offerings of the School of Commerce which is B. Com (Hons). The biggest strength of the school is the strong support system of the parent trust – SVKM which has an exceptionally stellar record in imparting quality education for several decades.

Both BBA & B.Com (Hons) Programs are accredited by ACCA-UK which enables 6 papers' exemption in ACCA Program and may also lead to B.Sc (Hons) in Applied Accounting from Oxford Brookes University.

School of Commerce has strong International Collaborations with the globally reputed Universities for Twinning and Dual Degree Programs as well Progression into Masters Programs. Our belief and subsequent approach is to keep the students forward looking but rooted in present, constantly curate the syllabus to fit the real-world needs and trends, and to create students who are at par with any other degree holders of some of the best institutes in this field. We believe in blending of strong inputs for our enrolled students through international collaboration, and to bring to fore the expertise and diversity required for fruitful learning. We believe in synchronicity with the current times, a future orientation and a culture based on transparency, professionalism and fairness. Students of School of Commerce participate in student bodies, explore themselves through co-curricular and extra-curricular activities and are the future leaders.
